

NBA OFFICIATING Last Two Minute Report

Below is the league's assessment of officiated events that occurred in the last two minutes of last night's games which were within five points at the two-minute mark (and during overtime, where applicable). The plays assessed include all calls (whistles) and notable non-calls. Notable non-calls will generally be defined as material plays directly related to the outcome of a possession. Calls that are indirectly related to the outcome (e.g., a non-call on contact away from the play) and/or plays that are only observable with the help of a stop-watch, zoom or other technical support, but have some merit in reporting, are denoted with an *. The league may change an opinion after further review, particularly when a new video angle becomes available. If you have any questions, please contact the NBA Communications Department.
